

DISPOSABLE FULL REINFORCED GOWN

Product Description

SFS (spunbond /film/ spunbond) fabrics that we manufacture are used in surgical gowns for our OPIA FULL REINFORCED SURGICAL Gown, AAIM LEVEL 3 and AAIM LEVEL 4 applications.

- * SFS products provide high thermal comfort to the user during surgical operation due to their high breathability.
- * Thanks to its 4 PSI water resistance, it provides high protection against alcohol and other liquids in the blood.
- * Provides bacterial and viral barrier thanks to its high tensile strength.
- * SMMS or Reinforced SMMS, SSMMS, PP spun bond nonwoven in reinforced fabrics, SFS made of breathable film is fully reinforced with PP spunbond nonwoven, so the protective area is all over the surgical gown, not just around the critical area.
